About ICLS

The International Congress on Logistics and SCM Systems is organized by The International Federation of Logistics & SCM Systems (IFLS) and The Asian Pacific Federation of Logistics & SCM Systems (APFLS). The 1st Congress was hosted by Waseda University in Tokyo, Japan, November 22-24, 2004, followed by the 2nd Congress hosted by The National Kaohsiung First University of Science and Technology in Kaohsiung, Taiwan, May 1-4 2006. The 3rd Congress was hosted by Kanagawa University in Yokohama, Japan, August 29-31, 2007 and the 4th Congress was hosted by Asian Institute of Technology in Bangkok, Thailand, November 26-28, 2008. **The 5th International Congress on Logistics and SCM Systems, ICLS 2009** will be hosted by **The Korean Society of Supply Chain Management(KSCM)** in COEX(Convention & Exhibition Center), **Seoul, Korea, June 2-5, 2009**. The Congress aims to provide an international forum for leading academics, researchers and practitioners to discuss and exchange ideas on the latest development and to seek opportunities for collaboration among the participants as well as to promote excellence in the field. The latest papers in academic thinking and successful case examples will be presented. The Congress cordially invites papers from researchers, educators, modelers, software developers, users and practitioners in universities, industries and research institutes.

Submission

Submissions should be made electronically through e-mail icls2009@kscm.org. A submission should include **abstract** or **full paper** with the key words, and a cover page including title, topic areas, name(s) of author(s), affiliation(s), and e-mail address, and the contact information of the corresponding author, including mailing address, telephone and fax number. A submission of abstract or paper should be in file format of MS Word or PDF. The final manuscript for the proceedings would be fine in the format of **MS Word** or **Power Point slides**. At least one of authors should register by Pre-registration.

Proceedings and Publication

All accepted papers will be published in the conference proceedings. In addition, after the conference some of the papers will be invited for publication in the **International Journal of Logistics and SCM Systems** (The official journal of IFLS) or the other special issue of **SCI class international journal** after the conference. **The best paper award** will be presented during the conference.
